Costick/Community Center Update

The City of Farmington Hills Department of Special Services and the City's contractor, Sports Facilities Companies (SFC) sincerely thank all the participants that recently completed the survey.

The survey which was available throughout the month of April, was completed by 586 Farmington Hills area residents. The results showed the top 4 most desired recreation assets to be offered are:

1) Indoor Walking Track 2) Aquatics Center 3) Exercise Space 4) Indoor Multi-Use Courts.

Not surprisingly, those were the same top 4 choices in the weighted voting of the survey, followed by Life-long Learning Classes and Nutrition (Lunches & Meals-on-Wheels).

The 586 survey participants average 8 visits monthly to the Costick Center. The participants were spread over the age brackets, 33% were ages 50-64; 43% were 65-74; 21% were ages 75-84; and 2% were age 85 and better. The survey was open to residents and Costick users of all ages, with 1% of the participants under age 50.

SFC is compiling the survey results and incorporating them into the supportive information to be delivered to the Farmington Hills City Council regarding the Costick Center replacement in the near future.

Respectfully,

Jeffrey Blatt, jblatt@sportsfacilities.com

Account Executive for Farmington Hills Special Services, Sports Facilities Companies

The Farmington Area Commission on Aging Travel Scams

The Farmington Area Commission on Aging continues their monthly series on Scams, Fraud, and Financial Exploitation. This is part of a greater effort to ensure that adults 50 years and older, in our community, can learn to recognize scams and financial fraud before it happens and have resources to help should they become victims.

With summer approaching, many of us may be planning a vacation. With that in mind, we call your attention to some travel scams designed to get your personal information and money. We also share suggestions on how to avoid falling prey to these scams.

COMMON TRAVEL SCAMS

- ***Fraudulent online travel services*** – Scammers create realistic, yet phony websites touting hotels, car rentals, other services.
- ***Vacation home scams*** – Scammers copy legitimate listings, add their contact information, and may offer below-market prices to lure potential renters. Or they create listings for places that are not for rent or do not exist.
- ***Hotel credit card scams*** – Scammer may pose as a front-desk employee and call your room to “verify” your credit card information due to a computer glitch. Hang up. Call the front desk directly.
- ***Hotel flyer scams*** – Scammers slip fake flyers under hotel room doors to promote food delivery and get credit card no.

Sources: AARP & Federal Trade Commission

How to Protect Yourself from Travel Scams – Consider getting recommendations about travel agencies, hotels, vacation rentals, and such from family members, friends, or other trusted sources. Try to verify websites, phone numbers, and destination addresses independently rather than relying on web search results. Check with the BBB to see if there are complaints associated with a given travel company or service. Do not pay for travel packages with gift cards, wire transfers, or cryptocurrency. Instead, pay with a credit card, which offers more protection. And, do not feel pressured to make a quick decision about a vacation package or rental. –Sources: AARP, FTC, & State of Michigan Consumer Protection

Take time to learn about scams and fraud. The Commission would welcome the opportunity to present their program on this topic to Farmington area groups, clubs, and organizations. For more information or to request a presentation, please call 248-473-1821.

BALANCING FRUITS AND VEGETABLES

Fruits and vegetables are important for the vitamins, minerals and fiber they provide. They also add color, flavor and texture. Explore these creative ways to bring fruits and vegetables to the table.

*Fire up the grill

Use the grill to cook vegetables and fruits. Try grilling mushrooms, onions, peppers or zucchini on a kabob skewer. Brush with oil to keep them from drying out. Grilled fruits like peaches, pineapple or mangos add variety.

*Take your casseroles to the next level

Mix vegetables such as sautéed onions, peas, pinto beans or tomatoes into your favorite dish for extra flavor.

*Get in on stir-frying

Stir-fry fresh or frozen veggies – like broccoli, carrots, cauliflower, or green beans – for a quick and easy addition to any meal. Add in chicken, beef, tofu, or shrimp with brown rice for an easy veggie bowl.

*Add them to your sandwiches

Whether it is a sandwich or wrap, vegetables make great additions to both. Try hummus, cucumber, or avocado on your usual sandwich or wrap.

*Be creative with your breakfast

Add apples, bananas, blueberries or pears to your oatmeal, yogurt or pancakes for a special start to your day.

*Make a tasty fruit smoothie

Blend fresh or frozen berries and bananas with 100% fruit juice or Greek yogurt or milk of your choice. Add in chopped broccoli or kale for some added benefits. If you don't have frozen berries, add a few ice cubes to the blender.

*Liven up an omelet for breakfast or dinner

Boost the color and texture with vegetables. Simply chop, sauté, and add them to the egg as it cooks. Try combining different vegetables such as mushrooms, spinach, peppers or green onions.
